

Charge-It™
MOBILE CHARGER

Now available in the
PHILIPPINES!

**Kiss Your LOW BATT problem
Goodbye!**

The 1st Mobile Charger

✓ Charge a wide range of mobile phones from NOKIA, MOTOROLA, SAMSUNG, LG, SONY ERICSSON & SIEMENS

✓ Can be used to charge multiple devices that work on 5.8V

✓ Can be charged from a USB port, full charged in about 4 hrs.

✓ Rechargeable for more than 400 times

✓ Protection circuit prevents over-voltage, under-voltage and short circuits, thus preventing damage to both Charge-It Mobile Charger and device being charged

✓ Rubberized coating for handling and protection
